TS – Bar & Plate
Oil / Air Cooler, 3C-Line

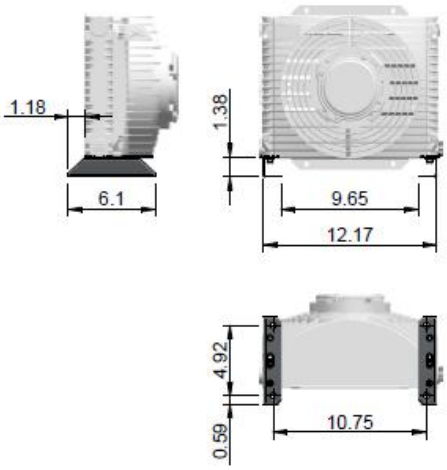

Foot Mounting ILLEFUSSTT06K

This foot mounting option is available on the 3C-Line. 1 Set consists of 2 foot brackets with mounting material.

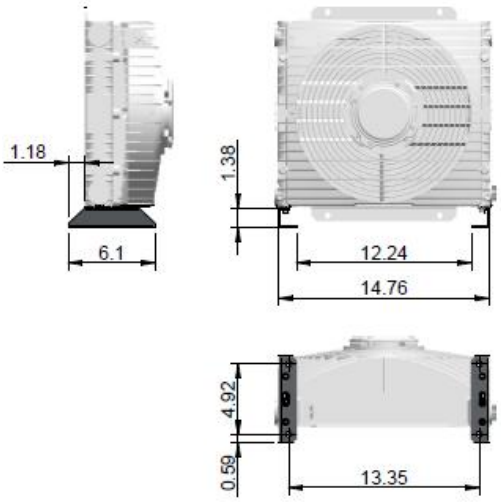

ASA 3C 004...

ASA 3C 006...

ASA 3C 010...

order number	description	fits on cooler type			weight
		3C 004 (AC, DC)	3C 006 (AC, DC)	3C 010 (AC, DC)	[lbs]
ILLEFUSSTT06KU00	mounting feet kit 3C 004 - 010	•	•	•	0.81

Characteristics

bracket material	steel

Corrosion Protection

comparable to C3 short (ISO 12944), Ri3 (ISO 4628-3)

Delivery Content

foot mounting bracket	2x
mounting material	included

This data sheet and the corresponding technical drawings serve solely as a general guideline and a technical overview of our products. Please contact us for additional information. We always try to keep the technical data up to date. However, due to constant development, no guarantee can be given for the correctness of the information (or printing errors). This applies to general properties such as dimensions, colors and weight. Any cooling performances and general technical values indicated in this catalogue are measured at a test benches according to asa testing procedures or calculated based on such tests and may therefore deviate from values obtained by test procedures from other manufacturers. The performance can vary by around +/- 15%. All information and calculation values are provided to the best of our knowledge, they do not represent intrinsic product properties and it is strongly recommended that the product is tested under the actual operating conditions. All drawings shown here are to be understood as schematic representations. For exact dimensions and the applicable tolerances, please ask for the corresponding scale drawings. Any form of liability is excluded for the information included in this datasheet. asa GmbH reserves the right to modify the product without any separate notification. This refers to both technical data and the product itself. Furthermore, it is herewith specified that the datasheet and the corresponding scale drawings are not a substitute for the assembly, installation and operating instructions.
